## **PRESS RELEASE**

### **FinTHESIS and Golden Home Join Forces to Provide Comprehensive Customer Service**

**Golden Home Real Estate**, a leading company in the real estate market, and **FinTHESIS**, a mortgage loan intermediary and member of the DoValue S.p.A. Group, are entering into a new partnership aimed at delivering complete support to every prospective client. This strategic collaboration seeks to simplify the home-buying process by offering specialized assistance and access to tailored financing solutions. Through **FinTHESIS**, potential buyers will be able to find and secure the most suitable mortgage loan, customized to their needs and financial capabilities. At the same time, **Golden Home Real Estate** will facilitate the selection of properties that meet clients' requirements.

Mr. Nikos Galatis, **Owner & CEO of Golden Home Real Estate**, stated: *"At Golden Home, our mission is to provide our clients with comprehensive solutions for purchasing their new home. Our partnership with FinTHESIS addresses a critical part of this process by offering immediate and reliable support in mortgage financing. We are confident that this collaboration will play a decisive role in better serving those seeking their ideal property."*

Mr. Andreas Protopapas, **General Manager of FinTHESIS**, added: *"FinTHESIS was created to offer prospective property buyers transparent and reliable financing solutions, simplifying the mortgage process. Our collaboration with Golden Home, a leader in the Greek real estate market, is an important step in this direction. Together, we make it easier for clients to acquire the home they desire under the best possible conditions."*
